

Psychology Post-Doctoral Fellowship 2022-2023

Salary: \$45,000 plus individual benefits (medical and dental coverage, healthcare savings account, paid federal holidays, 3 weeks of paid vacation)

Hamm Clinic is a multi-disciplinary Rule 29 community mental health center that offers individual, couples, group, and family therapy modalities. Hamm's mission is to provide high quality, culturally responsive outpatient mental health care, with a focus on serving individuals unable to access or pay for services.

Post-Doctoral Fellows will experience Hamm Clinic's innovative, integrated Model of Care as they participate in a well-rounded training program to advance clinical and supervision skills, and develop a robust professional identity. The placement is designed to meet the requirements for licensure as a psychologist in Minnesota.

Core Requirement

Hamm Clinic is committed to an integrated model of mental health care with a focus on psychotherapy within a multi-disciplinary and collaborative community. Our goal is to do this work in a trauma-informed, anti-oppressive environment in which all identities are welcome and valued and in which employees strive to maintain an intersectional lens in considering their own privilege and how that might impact their work. It is expected that all are dedicated to learning and supporting this model, as appropriate for their specific duties.

Post-Doctoral Fellow Eligibility

- Doctoral degree from a graduate program (or international equivalent).
- Completed a doctoral psychology internship (or international equivalent).
- Completed a minimum of 300 direct service hours conducting adult psychotherapy.
- Completed a minimum of 6 formal psychological assessment batteries with adults that includes administering of tests, scoring, interpreting the data, and writing an integrated report.

Post-Doctoral Fellow Responsibilities

- Provide psychotherapy to adult individuals, couples and families.
- Participate in multidisciplinary team case consultation.
- Facilitate monthly Journal Club for predoctoral psychology interns.
- Participate in staff and trainee in-service trainings.
- Participate in Hamm Annual Conference.
- Participate in one of Hamm's committees: (Cultural Responsiveness, Policy & Planning, Wellness & Sustainability.)

- Provide clinical supervision and ongoing training to clinic trainees.
- Facilitate group therapy.
- Identify, develop, and achieve specialized training goals.
- Provide psychological assessment including cognitive, personality, Therapeutic Assessment, and asylum assessment.

Core Training Opportunities

- Psychological Assessment Supervision
- Clinical Supervision
- Utilize outcome measures such as the OQ-45
- Supervision of Supervision

Potential Training Opportunities

- Teach a portion of seminar series
- Program development
- Leadership development
- Audit classes offered through the Minnesota Institute for Contemporary Psychotherapy and Psychoanalysis (MICPP) program that provide training, education and research in contemporary psychoanalysis
- Facilitate a therapeutic group
- Observe a Psychiatric Evaluation
- Participate in specialized consultations on trauma treatment, group therapy, and couples therapy
