

Psychiatric Prescriber (Part-Time)

Hamm clinic is seeking a qualified psychiatric prescribing professional with experience in a mental health setting serving adult clients. As a member of the psychiatry team you will assess, diagnose, prescribe and manage medications and provide follow-up services including education to adult clients served by Hamm Clinic.

Candidates must have or be able to obtain unrestricted Minnesota Board Licensure as a PMHNP or MD and be eligible to be credentialed by health plans serving the Minnesota market. Please note, candidates must have the ability to routinely provide direct services to clients on Fridays either by telehealth or in person at our St. Paul Clinic location.

The ideal candidate will be able to collaborate and communicate effectively with the Director of Psychiatry, front desk intake staff, billing staff and members of the clinic's multidisciplinary team. Assuring that current documentation and orders in electronic notes are timely and complete as well as preparing reports and correspondence are core competencies required for the position.

Candidates with interest should submit their resume/CV and a cover letter detailing their qualifications and experience for the position to mdubry@hammclinic.org
